

How to Access Erlanger Juniper VPN for Remote Access:

1. Open your Internet Browser. Type "https://access.erlanger.org/remote"

← → C ↑ □ https://access.erlanger.org/remote

2. Log in by entering "Erlanger User Name" and Password along with Safenet Passcode as Secondary Password. See below on how to get the Passcode from Safenet.

Welcome to the Junos Pulse Secure Access Service

Username	stevendl
Password	
Secondary password	••••••
	Sign In

3. Open your MobilePass+ application and entering your PIN. It will then generate a temporary passcode for you to copy.

	← MobilePASS+
John Smith Token Authentication Teken PIN Teken PIN Cancel Continue	ST 1000011491
	Next Passcode

4. Type your temporary SafeNet MobilePass into Secondary Password Field.

Tip: You can also simply enter your Erlanger ID and password into the Juniper VPN and click Sign In. A secondary password will appear on the device that has MobilePass installed. Enter it into the Secondary Password field and click Sign In.
