Facility (Check ALL that are applicable to your request)				
Baroness*	Children's**	North	East	Bledsoe/Sequatchie

* Includes BEH Main Hospital, Miller Eye Center, Plaza Surgery and all Erlanger Ambulatory Clinics

**Includes Children's Hospital Inpatient, Children's Ambulatory clinics, Children's OR and Kennedy Children's Outpatient Center

Core Pediatric Infectious Disease Privileges:

Admit, perform history and physical exam, evaluate, diagnose, treat, and provide consultation to newborns, infants, children and adolescents with acute and chronic infectious or suspected infectious or immunologic diseases, underlying diseases that predispose to unusual or severe infections, unclear diagnoses and uncommon diseases, and/or requiring complex or investigational treatments. Privileges include but are not limited to management of infections caused by viruses, fungi, bacteria and mycobacteria, parasites, and amoebae. May provide care to patients in the intensive care setting in conformance with unit policies. Privileges include the ability to assess, stabilize, and determine the disposition of patients with emergent conditions consistent with medical staff policy regarding emergency and consultative call services. Additional privileges include:

Administration of antimicrobial and biological products via all routes
Application and interpretation of diagnostic tests including microscopic analysis and molecular studies
Aspiration of superficial abscess
Lumbar puncture
Management, maintenance, and removal of indwelling venous access catheters in context of infectious complications or treatment of infectious conditions

Special Non-Core Privileges in Pediatric Infectious Disease:

If desired, noncore privileges are requested individually in addition to requesting the core. Each individual requesting noncore privileges must meet the criteria governing the exercise of the privilege requested, including training, required previous experience, and maintenance of clinical competence. Non-core privileges include:

Request for Privilege Not Listed in Core or Special Non-Core *(please list the privilege and provide justification as well as any accompanying certifications or case logs)*

Department Chief Recommendation:

I have reviewed the requested clinical privileges and supportive documentation for the above named applicant.

- ' Recommended as Requested
- ' Recommended with Modifications (See comments below)
- ' Not Recommended (See comments below)
