# TRAUMA & SURGICAL CRITICAL CARE SYMPOSIUM

---

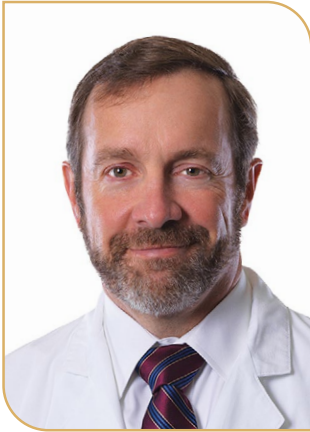

## 2024

---

EXHIBITOR PROSPECTUS

MAY 30<sup>TH</sup> - 31<sup>ST</sup>

**Robert A. Maxwell, MD, FACS**  
Trauma Medical Director

## INVITATION TO PARTICIPATE

You are invited to support Erlanger's 2024 Trauma and Surgical Critical Care Symposium. Your continued financial sponsorship is vital to allow Erlanger to provide this outstanding continuing education experience for regional and national healthcare personnel.

This ongoing experience provides expanded educational opportunities for trauma teams, including surgeons, emergency physicians, flight teams, paramedics, EMTs, nurses, ancillary personnel such as respiratory therapists, physical therapists, and patient care technicians.

The Erlanger Trauma and Critical Care Symposium has provided specialized trauma and critical care specific education since 2008 for more than 3,000 healthcare providers.

Thank you to the many vendors and exhibitors who have supported this educational venture in the past, and thank you to the new exhibitors who will join us this year. Without your help, this truly would not be possible.

## Trauma & Surgical Critical Care Symposium

**May 30 | 8:00 AM - 4:30 PM**

**May 31 | 8:00 AM - 4:30 PM (Skills Lab)**

Erlanger's Trauma and Surgical Critical Care Services are hosting many interesting lectures on the first day as well as offering a Skills Lab on the second day.

Trauma and other surgical professionals encounter a variety of clinical challenges in the care of the critically injured patient. Designed to provide education at all levels, this symposium offers a wide variety of topics.

## REGISTER

Visit [erlanger.org/traumasym](https://erlanger.org/traumasym) to register for Erlanger's Trauma & Surgical Critical Care Symposium.

## QUESTIONS?

Email Megan Ingle at [megan.ingle@erlanger.org](mailto:megan.ingle@erlanger.org).
